I have used NOAA data, the so-called GSOD product (global summary of day), which I think is available for many stations worldwide.

Start here and pick a station,

[http://www7.ncdc.noaa.gov/CDO/cdoselect.cmd?datasetabbv=GSOD  
&countryabbv=&georegionabbv=](http://www7.ncdc.noaa.gov/CDO/cdoselect.cmd?datasetabbv=GSOD&countryabbv=&georegionabbv=)
