We are doing a survey on anti-virus software for one of the major manufacturers and would like to include your opinions, IF YOU HAVE PURCHASED VIRUS DETECTION SOFTWARE WITHIN THE PAST THREE MONTHS.

In return for your participation, you have the chance to receive a free copy of the latest virus detection software from one of the leading manufacturers.

IF YOU ARE ONE OF THE FIRST 200 PEOPLE TO COMPLETE THE SURVEY, AND GIVE US EITHER A VALID EMAIL ADDRESS OR PHONE NUMBER, YOU WILL BE ENTERED INTO A DRAWING FOR THE ANTI-VIRUS SOFTWARE.

The survey is located at:

Please, we are not trying to sell you anything. All we want is your help. You will not be contacted by anyone except (in some rare cases) to validate responses, or to deliver the software you have won. All of your answers will be kept completely confidential.

Horizon Research Corporation is an independent research firm, not associated with any particular manufacturer. For further information about our company, email us at info@market-research.com.

Thanks in advance for your help.
