hi,

I have two images as

```
I=STOKESOUT(*,*,*,0)
```

```
V=STOKESOUT(*,*,*,3)
```

where

```
IDL> help,stokesout
```

```
STOKESOUT    FLOAT    = Array[500, 1000, 20, 4]
```

I want to do

```
sum(I+V),
```

but I want it appears as image not one value

How can I do it?
