Jess I have no IDL-only solution, but it's possible to call R from IDL, with a little setup, via the Pythorbridge. There have been a couple recent posts on IDL Data Point discussing this topic, including this intro. http://www.harrisgeospatial.com/Company/PressRoom/Blogs/IDLD ataPointDetail/Tabld/902/ArtMID/2926/ArticleID/14718/Calling the-R-Statistical-Package-from-IDL-via-Python.aspx Jim P. Thanks Jim, I'll give it a try. 	Posted by jecca.baker on Sat, 16 Apr 2016 13:19:03 GMT
