Hi all,

I need to create an array of structures,
I have created structure like this, I have put this in a loop

```
create_struct,ca,'ksom',[ 'DATA','XC','YC','DX','DY','TIME'], 'd(767,684),d(1),d(1),d(1),d(1),a(1)'
```

```
ksom=replicate(ca,6)
```

im getting error like this,
Conflicting data structures: KSOM,<STRUCT Array[1]>.

can anyone let me know what is the problem here.

thanks
