Hi,

I have

```
gr=PLOT(datax,datay,TITLE=title)
```

but my title (text) is long and cutting by edge of graphic window.
Is there any way to split my title for 2 lines ?

As example, I have title

Date dataX dataY

Showing in graphics window only

te dataX dat

how get something like that

```
    Date  
dataX DataY
```

Thanks at advance
