Subject: HDF-EOS functions with IDL5.2

Hello,

I understand IDL 5.2 has functions to read/write HDF-EOS files as well as HDF files.

I am unable to locate the HDF-EOS IDL functions in the help files, or any documentation.

I would appreciate if anyone would point me to any web area that has IDL programs or functions relating to HDF-EOS files, or to any documentation relating to it.

Thanks,

Sincerely,

Mila Mitra

I've created IDL routines to read MODIS Level-1B data, but I did not use HDF-EOS:

<ftp://origin.ssec.wisc.edu/pub/MODIS/IDL/>

Cheers,

Liam.
