
Subject: Double precision FFT in IDL???

Posted by [peba1231](#) on Thu, 11 Nov 1993 11:07:14 GMT

The FFT in IDL works on complex numbers with single precision Re- and Im-part. Will IDL support 'double precision' complex numbers and a 'double precision' FFT in near future? If not, is anyone willing to share his/her extremely fast, completely general, easy to use (from within IDL) DP-FFT :-?

Thanks in advance,

Peter
