they come on your screen like, "I don;t know weird".

It's not the worst problem in de world , but it looks a little goofy.

Ummm - try a better description besides "weird" and "goofy" and you might get some "bitchin" help.

BTW, I've had an unresolved text widget problem that's kinda "weird".

> "They don't think it be like it is, but it do."

> Oscar Gamble, ??? NY Yankees

Solved already,
