Hi all,

Haven't you noticed that the group slows down drastically when David is not on it? I guess the chilling feeling of him not reading the group spreads so far that nobody even asks questions, let alone trying object programming :-(

Cheers,

Pavel

Ah, it's nice to be missed. :-)

Cheers,

David

P.S. Let's just say that if I can't distract myself from more important tasks by writing to the newsgroup, I suffer as much as you do, Pavel. :-)
