Subject: HDF_Browser only works when SD data available? Posted by Henk on Mon, 06 Nov 2000 08:00:00 GMT

Hi,

I have a HDF-file without SD datasets, only with several vgroups. HDF_Browser however refuses to open these files because it can't start the SD_Start interface. I find this quite annoying. Anyone an idea why this 'feature' is there?

Thanks,

Henk
