Due to resource restrictions at Dortmund University, the German
ftp repository for the IDL software distribution has moved from
lumpi.informatik.uni-dortmund.de
to the following site:

Dortmund, Germany

Host: ftp.Germany.EU.net (192.76.144.75)
Location: EUnet Backbone Germany, Dortmund
Account: ftp
Password: <userid>@<localhost>
Directory: shop/CreaSo/IDL

Note: This system is a public anonymous ftp archive server.
The number of parallel ftp sessions allowed depends on
time of day.
