They must have your IP address blocked, because they hate to show the absence of FSC_PSCONFIG on the server. I can log in. What do you want, David? I'll download it all for you :-)

Cheers,
Pavel

Is this the library you're looking for?

<ftp://fermi.jhuapl.edu/pub/idl/>

This is the link found on this page:

http://fermi.jhuapl.edu/s1r/idl/s1rlib/local_idl.html

I can still find it via Web interface at
http://fermi.jhuapl.edu/s1r/idl/s1rlib/local_idl.html
and I can log into
<ftp://fermi.jhuapl.edu/pub/idl/>
anonymously without problem.

According to their welcome.msg, problems should be directed to
help@sd-ftp.jhuapl.edu

Might it have moved since you last visited?

It appears the library has been password protected.
At least I can no longer log on via anonymous ftp. :-(

Too bad, there were some *great* programs there.
