Sign me up! You don't have to know anything about histograms,
do you. :-)

Cheers,

David

If handicapped persons receive "preferential status", how does that
qualify as "equal opportunity"? :-)

Well, "equal" in the sense of female or male. Sorry for the lapsus.
This was a draft for the description and I wanted to rush it out.

But it's good that you newsgroup readers are so critical.

Thanks,

Martin

Oh, you can count on us. Try putting a piece of software
out here if you want to see us at our best. :-)

Cheers,

David

P.S. Naturally, the software has to be comprehensible.
Software like JD puts out just leaves us dazed and

speechless. :-)
