i am using the comman xobjview to plot a 3D crystal structure.

when i try to print the color image into a file,

it saves the image in black and white.

can i save in color ?

any help ?

thanks, s.

Yes, four or five times, usually. :-(

Cheers,

David

thank you.

i got the color ps file.

using the color printer driver "digital colormate psv51.9".
