Hello all,

After my fiasco posting a gridding GUI in a zipped archive, I realized it was time to get organized. I have posted my few contributions to IDL on the 5MB of server space that comes with my home email.

You can find those gridding routines and a few other trinkets at [www.tidewater.net/~pemaquid](http://www.tidewater.net/~pemaquid)

Please do give them a whirl and make suggestions.

Thanks,

Ben
