Yes, I would agree completely. However the issues raised here could
easily be solved by reading my new book, the cover of which I am making
available for *free* at this URL:

If you stare the picture for long enough, your eyes will begin to
involuntarily water and your head will crash into your screen, causing
nausea and dizzy spells for weeks to come.

Rule #1: It has to be funny to be comedy.

[Hint: smileys don't help]

Isn't our whole effort here just a comedy often times? Well, again, you
are right, it is a comedy but there's little market for it :-)
