Manmar Technologies is offering Voxar's "Plug & View 3D" DICOM medical volume visualisation software.
Both Premium and Advanced editions are available at HUGELY DISCOUNTED prices.

If you are interested, contact free3dee@hotmail.com.
A representative from Manmar Tech will get back to you with more details.

For more information on Plug n View 3D, visit <http://www.voxar.com>
"Plug n View 3D" is a registered trademark of Voxar Ltd.

I thought this might be of interest to users of this newsgroup. My apologies, if you feel this is too off-topic.

many thanks,
Karthik Balasubramaniam
