On the main IDL web page, on the right hand side is the "Downloads"
button. Follow that to the IDL download page and fill out the form.

Regards, Ken

Only version 5.5 shows on the download pages (after completing the
form).

Bernard.

Also, anyone have a detailed list of "What's New in 5.6" - ie. which
specific linear algebra algorithms have been LAPACKed (or de-Numerical
Recipied)?

Ciao.

There is some more info on OSX support on their web site today:

<http://www.rsinc.com/pr/detail.asp?PRID=83>

Bernard.

This was stated on RSI's webpage:

Note: IDL 5.6 will be available for download December 1 after maintenance updates have shipped.

Chia

Either I was completely blind and miss it yesterday, or this note appeared only today.

Anyway thanks, this answers the question I guess.

Bernard.
