I watched *Captain* Kangaroo when I was a kid, but it was probably
different. For one, I don't think there were actually any
kangaroos on the show...

Now I'm not sure if you are joking or not. Did the reference to
SINT() int the Buie library help?

Craig

[There is a farmers' "art" of hog-calling, I guess it is actually
used to call hogs to feed or something. The call sounds something
like, "Soouuiieeeee!"]
