Subject: STRSPLIT function AWOL from IDL 6.0 !?!?
Posted by andrew.cool on Fri, 22 Aug 2003 02:55:19 GMT

Hi All,

Just installed IDL 6.0 on my Windows box, and ran some code that calls
the STRSPLIT function. It issued a compilation error.

In fact, I can't get any STRSPLIT call to work, not even examples from
RSI's Online Help.

Can anyone get it to work on other platforms?
