Hi all,
do you know if IDL works with .dwg files?
How can I open this files?

Thanks,
Valerio

I don't know. No sense of humor? :-)

Cheers,

David

Whoops. Sorry. That sounded mean, even to me. But
I was momentarily distracted by (as it happens)
dogs barking in the back yard.

What I meant to say is that you probably can't believe a professional programmer would stoop to such a sophomoric joke. :-)

Cheers,

David
