and said:

> I have a problem and I hope someone here can "See the error of my ways".

[big snip]

David Fanning, as always (well almost always :-) saw the error of my ways  
and set me on the straight and narrow path to correctness. The secret, in  
case you're interested, was to use LABEL\_REGION

> I'll be happy to send anyone who's interested, a file (~55K png file)  
> that demonstrates the problem.

Since the problem's fixed, you don't need to see the file so don't ask :-)

Bruce
