How about this:

```
; Add 5 centimeters of space.  
space = widget_base(w_c3, ysize=5, units=2)
```

Works on my machine. :-)

Cheers,

David

Dear David,

Muchas gracias.

It works perfectly for me too.

Regards,
Pepe

P.S. Just to point out that I made a typo in my original post.
'ynozero' should read 'yoffset'.
