Subject: Read 3D array into IDL Posted by Tmorri on Wed, 28 Apr 2004 19:25:04 GMT View Forum Message <> Reply to Message

I have a 3D array [409x233x5] in my C drive, I need to read the data into IDL and then process it.

Could anyone tell me how to read the data?

Could arryone ten me now to read the data

Thank you.
