I think the HISTOGRAM function does what you want (use the REVERSE\_INDICES keyword).

Have a look at the histogram tutorial at

[http://www.dfanning.com/tips/histogram\\_tutorial.html](http://www.dfanning.com/tips/histogram_tutorial.html)

Good luck,

Benjamin

hi

thanks for the tip .. it works !!  
but i am not able to extract the data further into separate arrays

Thanks  
Anu
