"THIS IS A LEGAL BUSINESS OPPORTUNITY!!!"

No Fake Names! No False Information! Follow Policy & Procedures with Integrity!!!

"This program remains successful because of the honesty and integrity of the participants. Please continue its success by carefully adhering to the instructions. In this business, your product is not solid and tangible, it's a service. You are in the business of developing mailing lists. Many large corporations are happy to pay big bucks for quality lists. However, the money made from mailing lists is secondary to the income, which is made from people like you and me asking to be included in that list."

Example: \$6.00 + 5hrs. + Integrity = \$20,00.00 in 4-6 weeks

Step1. Go to www.Paypal.com, open and activated an account for free that allows you to send and receive funds via secure e-mail notification. This may take a couple of business days to verify account information and confirm identity.

Step2. After activating your Paypal account, use your new account to pay \$1.00 to the following email addresses in the order they are listed. (Total \$6.00)

1. (njekm@hotmail.com) 2. (wthampton@hotmail.com) 3. (Ldrury@rock.com)
4. (samwkfld@yahoo.com) 5. (1damnyankee@comcast.net) 6.
(katama1965@mail.com)

Step3. Email each of the six email addresses and request that you be

added to their lists.

Step4. After requesting that you be added to each core lists, edit this notice as follows:

Move everyone in the core mailing list up one position eliminating the first address. Place your email address in the sixth position and save document.

Step5. Find Internet newsgroups, discussion boards, message boards, forums, chats, in financial services field and post this notice a minimum of 200 times. The more postings, the bigger the list and the more return. That's it!

Again I cannot emphasize the importance of following each step carefully and honestly.

Good luck. God bless. Watch the money role in.
