arrayNoZeros = array[Where(array NE 0)]

Cheers,

David

P.S. Better done in two steps, in case your array
doesn't have any zeros, but I leave this as an
exercise for the user.

Forget this. The phone rang as I was typing and I
jumped and accidentally hit the SEND button. :-(

Cheers,

David

Somehow my "This Don't Make No Damn Sense" filter
got shut off. One of those updates caused a problem.
It only works intermittently now. :-(

Cheers,

David
