Subject: Draw a Histogram Plot Posted by David Fanning on Tue, 20 Nov 2007 20:46:01 GMT View Forum Message <> Reply to Message

Folks,

I've ticked another item off my life-time TO-DO list by writing a program to give me a decent histogram plot when I want one.

I'm already thinking about version 1.2, but I thought I would get some feedback before I spent too much more time on it.

You can learn about it and see how it works here:

Cheers,
