---

Folks,

I've ticked another item off my life-time TO-DO list by writing a program to give me a decent histogram plot when I want one.

I'm already thinking about version 1.2, but I thought I would get some feedback before I spent too much more time on it.

You can learn about it and see how it works here:

[http://www.dfanning.com/graphics\\_tips/histoplot.html](http://www.dfanning.com/graphics_tips/histoplot.html)

Cheers,

David
