Folks,

I've been breaking my back all week trying to understand the nuances of EOF analysis, so you can understand why I opened up the e-mail entitled "Huge Manhood is your Ticket to Paradise!" that showed up in my In box.

I just wanted to let you know I'm taking the rest of the afternoon off. I've got better things to do than tackle one more SVD decomposition. :-)

Cheers,

David

P.S. If you are so inclined, you can join Coyote and me down at the Rio. We'll be the ones in the margarita contest.
