Clearly desperation is clouding your judgement. But when you make pleas like this (IN ALL CAPS), it is customary to include your credit card details. (Not to mention one or two sentences about what it is you have actually tried.)

You might find this article helpful:

No need to shout - in fact, you might get a better response by NOT shouting.

Also, you need to provide more information - what exactly have you

tried? What didn't work? What errors did you get, if any?

Also, you might want to read this <http://www.catb.org/~esr/faqs/smart-questions.html> when you get a chance.

Cheers,
Vince
