Robbie, it's a new year. Throw the old stuff out and
start fresh. Sure, you probably will miss some of that
old stuff (do keep that favorite shirt for a Sunday morning
slouch around shirt), but it is easier to write it again
if you need it than it is to live with all the old baggage
bringing you down.

Go for it, Man!

Cheers,

David

Indeed, that deprecated code deserves to go to the same place as the
pink shirt I wore to the cricket last Sunday.
