Hi,

does anyone of you know a source for a 1 $\frac{1}{2}$ land-sea-mask? I'm sure there are a lot. ECMWF provides a 2.5 $\frac{1}{2}$ map with ERA40 but I couldn't find a 1 $\frac{1}{2}$ map.

I know http://www.dfanning.com/map_tips/seamask.html but that seems oversized for a simple 1 $\frac{1}{2}$ -map.

Regards

Bernhard
