It works for me, and I can't imagine why you can't access it.

Dave,

It works fine for me as well

Yesterday (Feb 8) morning, I was having trouble accessing a number of sites in the gsfc.nasa.gov domain, e.g. Astronomy Picture of the Day, <http://antwrp.gsfc.nasa.gov/apod/astropix.html>

It was probably a temporary technical issue. Everything was back by afternoon.
