Here's a tech tip that seems to cover problems with online help on \*nix flavors...you might want to see if that applies to your situation on windows too:

http://www.ittvis.com/services/techtip.asp?ttid=4442

Thanks, Jeff.

That led me to tech tip 4441 which is for Windows. I'll see if it works.

## Mort,

Under Linux (ahhh, so nice to have it finally working), I can see the whole help without problem, and the help folder contains the same files as you describe.

Jean
