Here's a tech tip that seems to cover problems with online help on
*nix flavors...you might want to see if that applies to your situation
on windows too:

<http://www.ittvis.com/services/techtip.asp?ttid=4442>

Thanks, Jeff.

That led me to tech tip 4441 which is for Windows. I'll see if it works.

Mort,
Under Linux (ahhh, so nice to have it finally working), I can see the
whole help without problem, and the help folder contains the same files
as you describe.

Jean
