ITT VIS will be at the 2009 AGU Fall Meeting in San Francisco. Please visit us at booth 821 in the exhibition hall, Moscone South.

We're also hosting an IDL user group meeting on Wed Dec 16 from 5:00 - 7:00 pm at the Marriott Marquis (across the street from the convention center) in room Sierra K. Details here:

Please visit us at the user group meeting to learn more about what's coming in IDL 8.0 and beyond.

Note: there will be beer.

I guess you guys don't care for the beer. ;-) (As a German myself, I
hope it's not domestic.)

Ok cool - I'll stop by too :) (not that it's so hard to get free beer at the AGU ;))

Any chance we could get some of these IDL T-shirts which (if I recall correctly) David mentioned having a good impact on Hawaii? :)

Ciao,
Paolo

These were incredibly effective with the large women who populate Hawaii. I'm not at all sure how they would do with the yoga babes in San Francisco. Worth a try, I guess. ;-)

Cheers,

David

A free beer without a line at AGU would indeed be something special...
