I just discovered that my IDL book is available in a Kindle edition.

http://www.amazon.com/Introduction-Programming-IDL-Interactive-ebook/dp/B001C6JCUU/ref=sr_1_2?ie=UTF8&s=books&qid=1260370287&sr=8-2

I don't have a Kindle, so if anyone purchases it, please let me know how it looks.

Thanks, Ken
