Harry> information if one exists and where it can be found?

Harry> Since this is undoubtedly a FAQ, is there a FAQ for this newsgroup?

idl.el is an editing mode for IDL ".pro" files. You can obtain it
from the following locations:

ftp://fermi.jhuapl.edu/pub/idl_emacs/idl.el
<ftp://eos.crseo.ucsb.edu/pub/idl/idl.el>

It now supports font-lock mode if you prefer that style of
highlighting. Thanks to Phil Williams.

The FAQ is located at:

ftp://fermi.jhuapl.edu/www/s1r/idl/idl_faq/idl_faq.html

Chris
