I'm giving a web seminar on using Graphics in IDL 8.0. Check the VIS website for signup information:

<http://www.ittvis.com/EventsTraining/LiveWebSeminars.aspx>

I'm doing the webinar live three times on Wednesday, September 8. The times (all local) are: 11 am Singapore, 2 pm London and 2 pm New York.

The webinars are recorded, so even if you can't attend a live session, please sign up and you'll receive a message when the recording is posted to our website.
