I am looking forward to trying these programs, but using the above link I get a message that the domain has expired, but I could try related searches on "Psychic Readings", "Payday Cash Loan" or "Find your Love Match". :-(--Wayne

Heheh.. yeah, I just renewed the domain this morning, so you might need to wait for the parking site to flush out of your DNS cache. You can try using this instead, which might not be cached for you:

<http://web.astroconst.org/jbiu/>

or even

<http://astroconst.org/jbiu/>
