My guess is that you either mis-spelled the procedure
(it is "ps_start") or you haven't put the Coyote Library
on your IDL path. Those are basically the only two
possibilities. PS_Start runs perfectly in IDL 7.1. :-)

Cheers,

David

Dear Dr Fanning... tanks a lot I update their libraries from her
web site http://code.google.com/p/idl-coyote/ wonderful.....
the scripts runing ok..
Nice to meet you!!!!
