Folks,

From now until the end of the month, every book and software item in the Coyote Store is on sale at 25-50 percent off the normal price. You won't find these items any cheaper than this until the bankruptcy sale!

<http://www.idlcoyote.com/store/index.php>

Cheers,

David

The sale is going so well, I've decided to extend it another week. Cheap prices and you can help a starving programmer pay the rent!
