> ticks to the right in AXIS?

```
cgplot, indgen(11), ystyle=8, position=[0.1, 0.1, 0.85, 0.9]  
cgaxis, yaxis=15, yrange=[0,100], /Save, YTicklen=-0.02
```

Cheers,

David

Whoops! That's weird, although it probably works. Should
be yaxis=1.

Cheers,

David
