VIS is hosting an IDL user group meeting on Sep 19-20 at LASP on CU-Boulder's East Campus. We'll have a day of workshops/discussion and a day of talks. We'll also have a visualization contest. Get pumped for two days of IDL geekiness!

Details, registration information and the call for abstracts are available here:

<http://exelisvis.cvent.com/events/idl-user-group-2012-fall-meeting-boulder-co/event-summary-efa284a5814f478e8dfdb322b42d171b.aspx>.

See you in September!
