Hi, has somebody an archive of this newsgroup?, the one at the SMA (Swiss meteorological institute) is quite old. - Or is there someone who can show me how to compute a running sum (or integral) without a loop. As far as I remember, there were several postings on this topic some months ago.

Thank you,

I keep an archive of pv-wave mailing list and some articles from this group at:

<http://www.ee.port.ac.uk:80/~ss-www/WAVE/wave-maillist/mailist.html>

Cheers

Sergei
