Folks,

Several of you have asked me to post some pictures of my Patagonia trek in Torres del Paine National Park. I have put a few pictures up here:

<http://www.idlcoyote.com/adventures/patagonia/index.html>

I've included a link to an article I wrote for the local newspaper, which will fill you in a bit more on the trip. I have a longer article planned, but who knows if or when I'll get to it. I've also included a gear list for those of you who would prefer not to carry 60lb packs on the trek. :-)

Cheers,

David

Nice David!!

I spent 10 days between Calafate, Chaltén and Torres del Paine 3 years ago, just a light rain one morning!!

Glad you liked that part of the world!
