Subject: IDL GSW toolkit?

Posted by jennyhanafin on Wed, 03 Jul 2013 09:25:41 GMT

Hi,

I've been looking for an IDL version of the MATLAB/FORTRAN/C GSW toolkit:

http://www.teos-10.org/software.htm

Has anyone got around to converting this to IDL yet by any chance? Or know of an alternative?

Many thanks

Jenny Hanafin
