Folks,

A lot of people have asked about my 500-mile Colorado Trail hike earlier this summer. I appreciate it.

I've put a short 5-minute video on my blog that highlights some of the incredible scenery, which I think is the best Colorado has to offer. The video covers the entire trail, and you can enjoy it without running up the Ibuprofen stock the way I did. :-)

Nice video David. It must have been really nice to have some companionship with other hikers on such a beautiful hike.

Craig, it was absolutely incredible. Thanks for reminding me. I added a narration track to the video this morning to make this clear. I think it makes the video pop and really show *exactly* why this trip was so special to me. :-)

Nice video!

I wondered whose voice it really is? It sounds too young to be 'sixty-three years old man'.

I asked Coyote to narrate. ;-)
